What a  
beautiful  
day!

Look! There  
is a crab.

Our school is near the river.  
Our campus is home to many animals.

Can we take the crab home?

Are you sure?

That's a good idea. We can keep it in the classroom.

There are big and small crabs along the river.

A-Di and Sandy,  
do you want to  
keep this crab?

Yes, Ms. Lin! It  
is cute. I want to  
keep it as a pet.

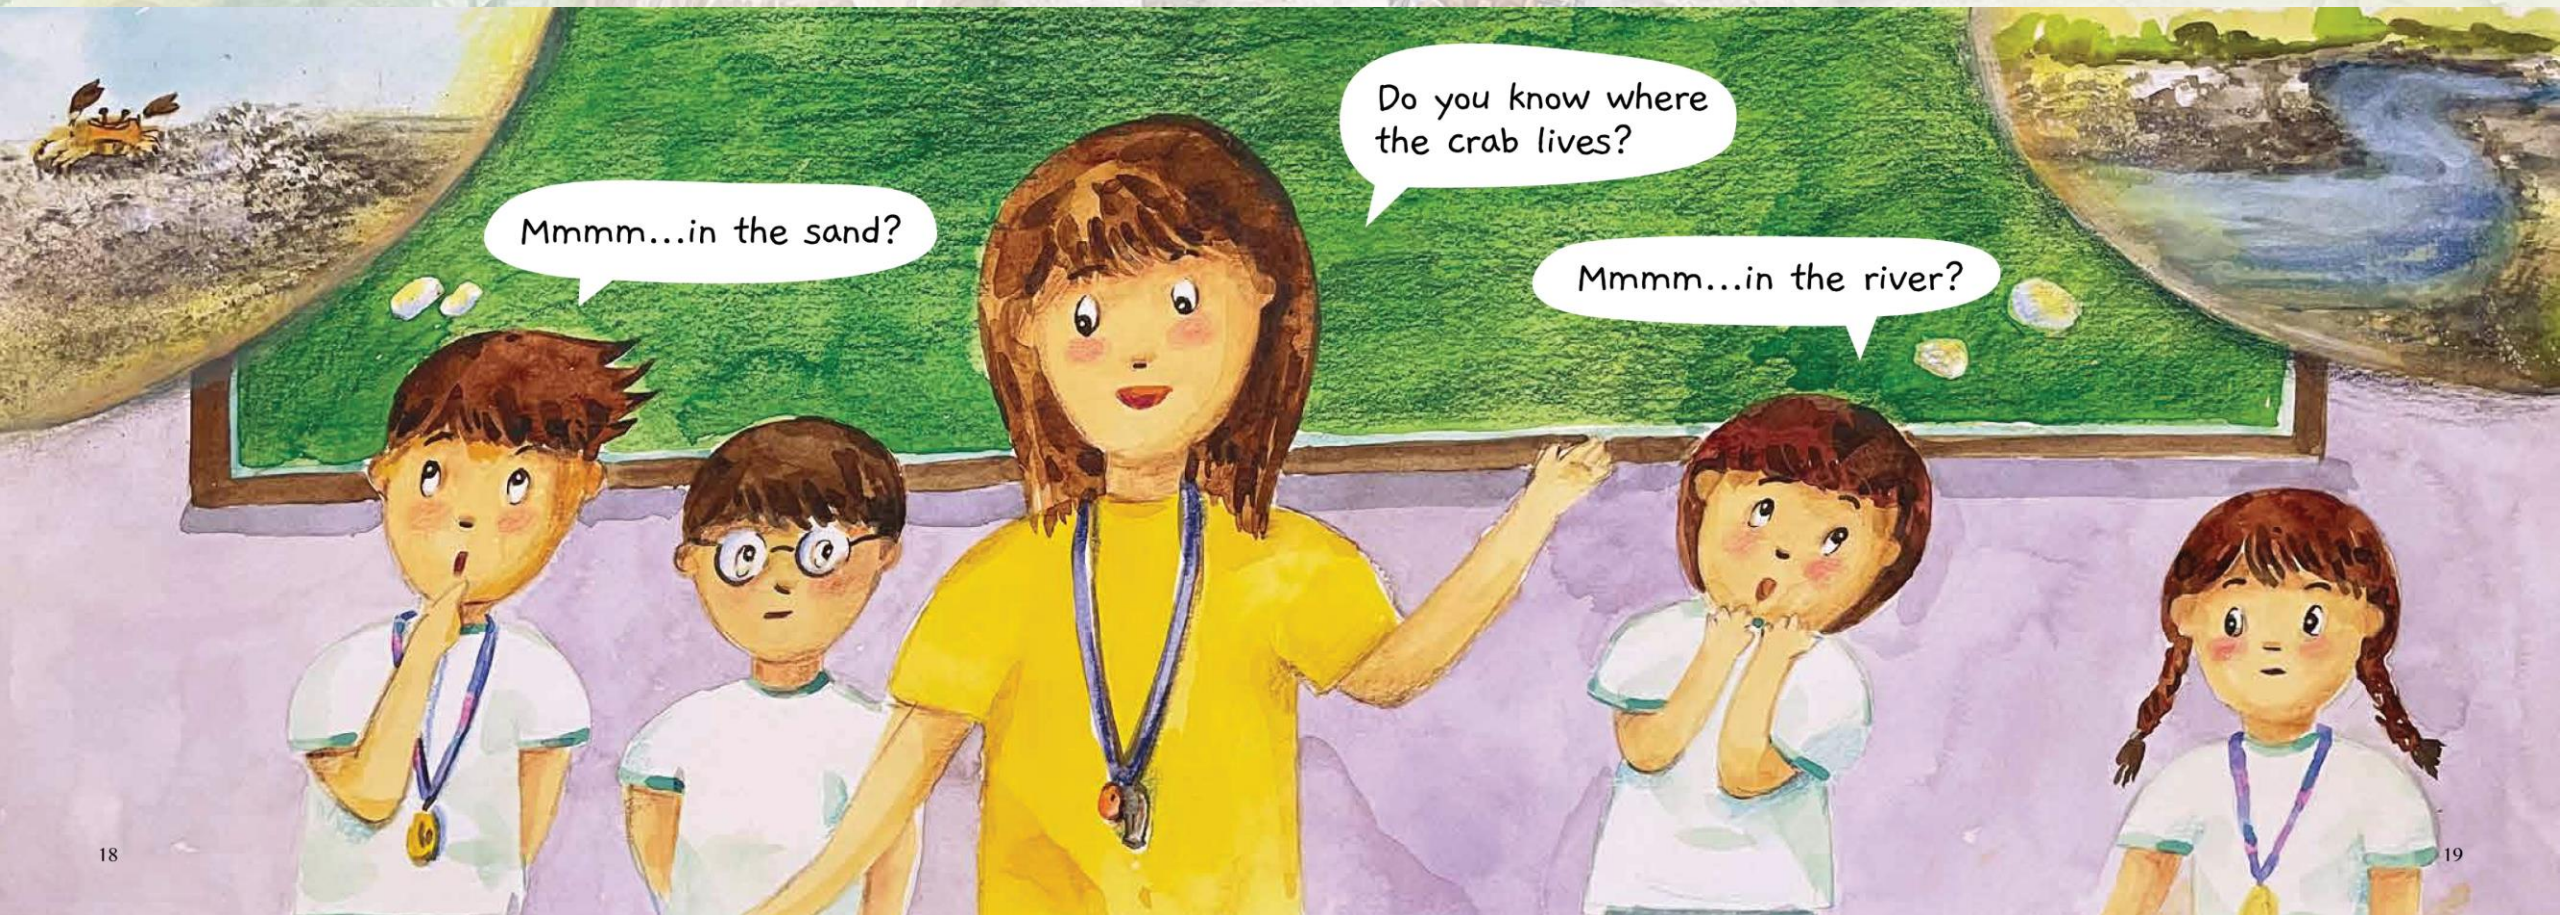

It is our class pet.  
We can take care  
of it together.

What will happen if you take a crab out of the river?

It will be sad.

It is away from its home.

It does not have fresh water and food.
