A-Di's father gets a
new job!

They have
to move to
another city.

A-Di, A-Mei, and
their mommy start
their house hunting.

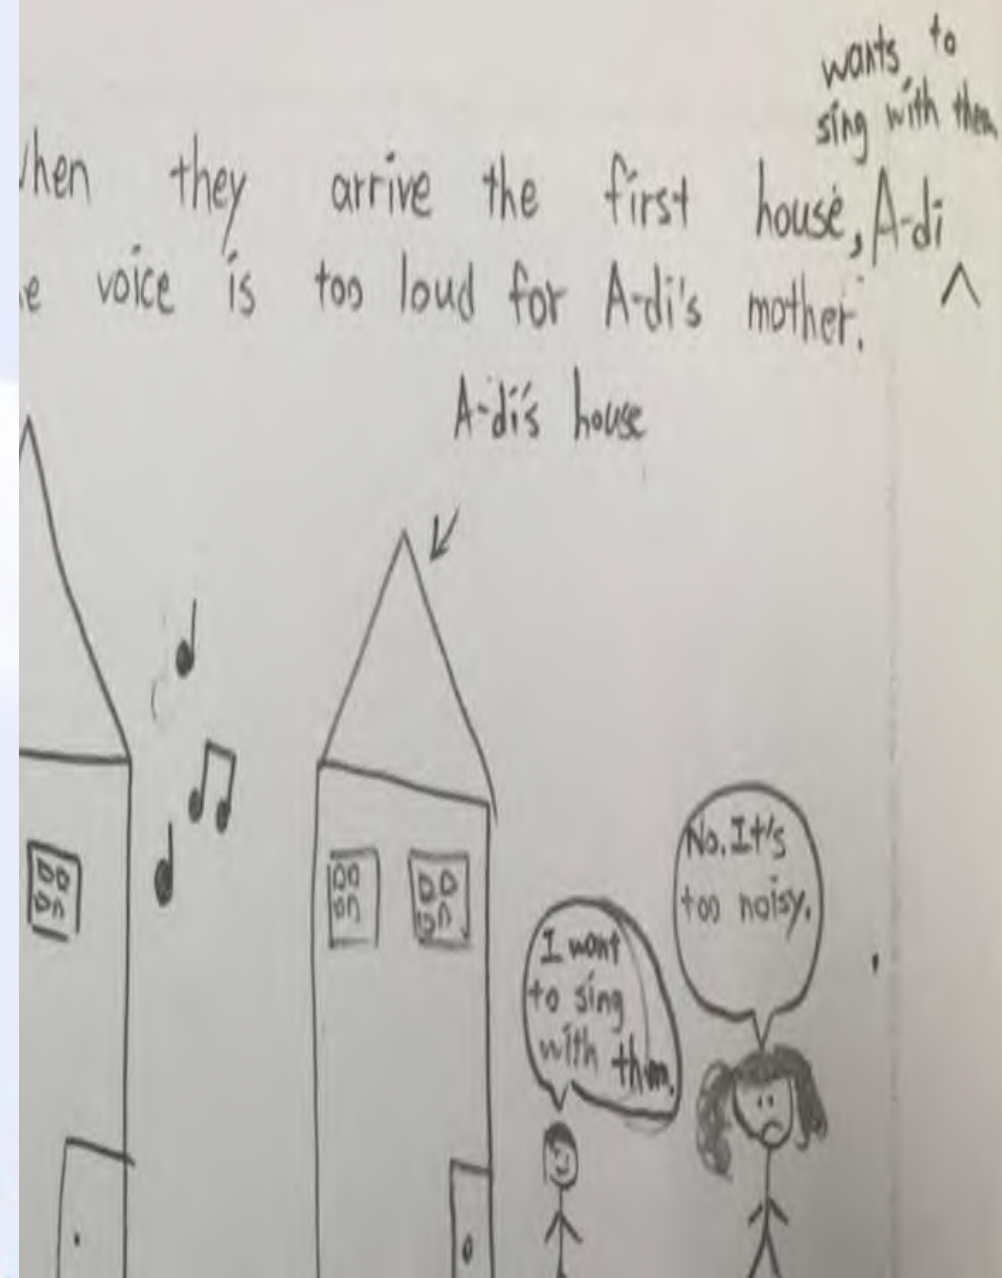

1st paragraph

A-Di's father gets a new job! They have to move to another city. A-Di, A-Mei, and their mommy start their house hunting.

But, when they
visit the house, the
neighbors are singing
karaoke and making
lots of noises.

What? Why?

How great this place is! Hope I can sing with them when we move in.

Oh, no. I don't like this place.

Because it will be noisy all the time.

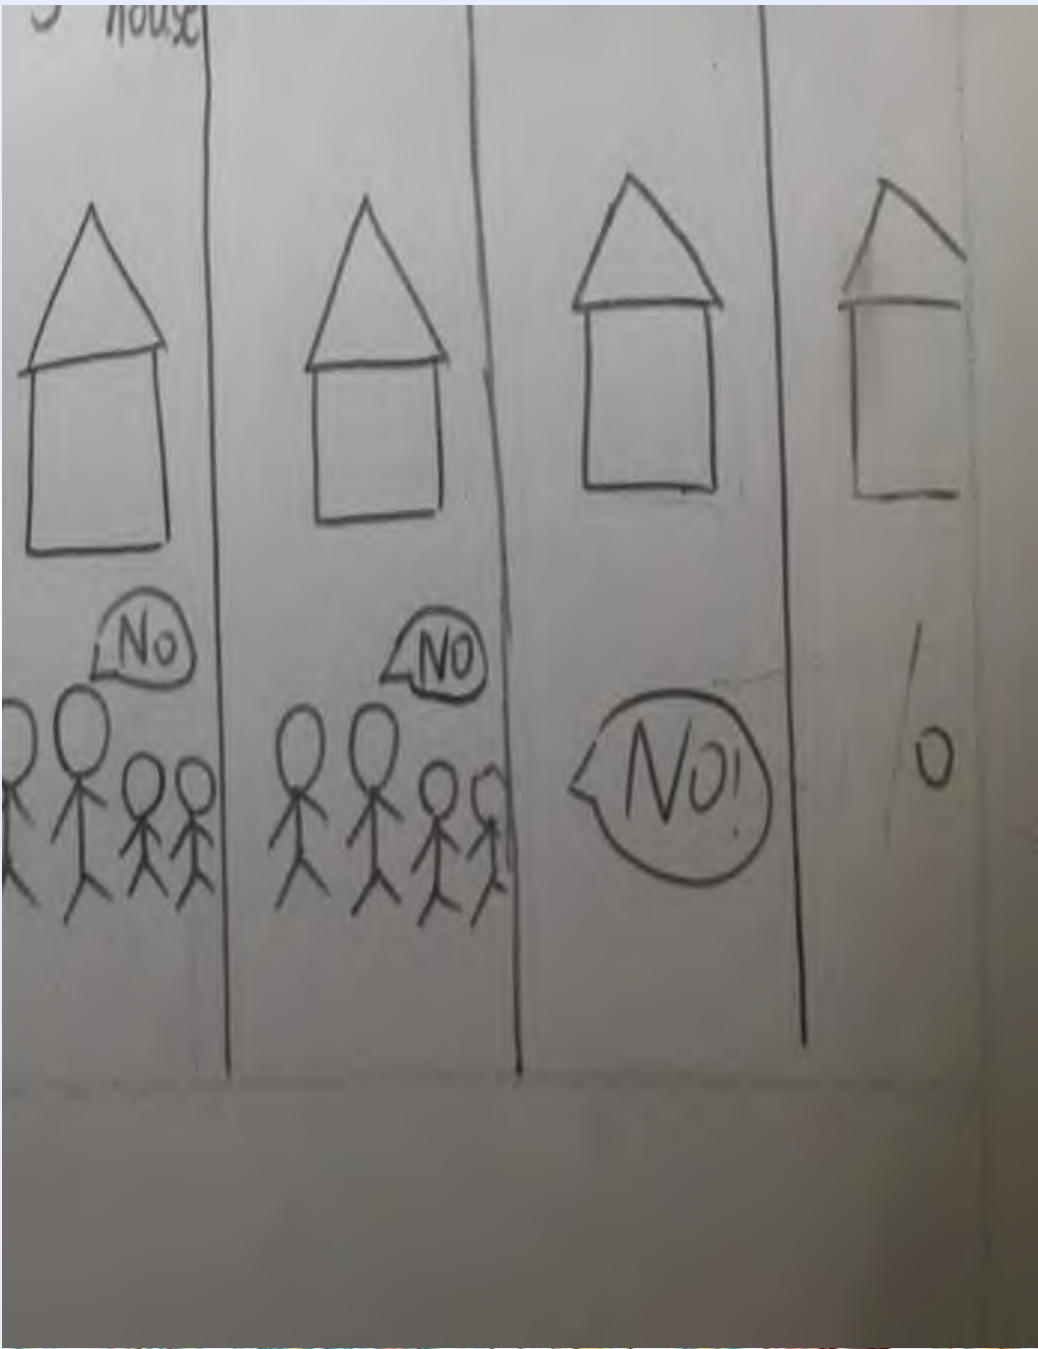

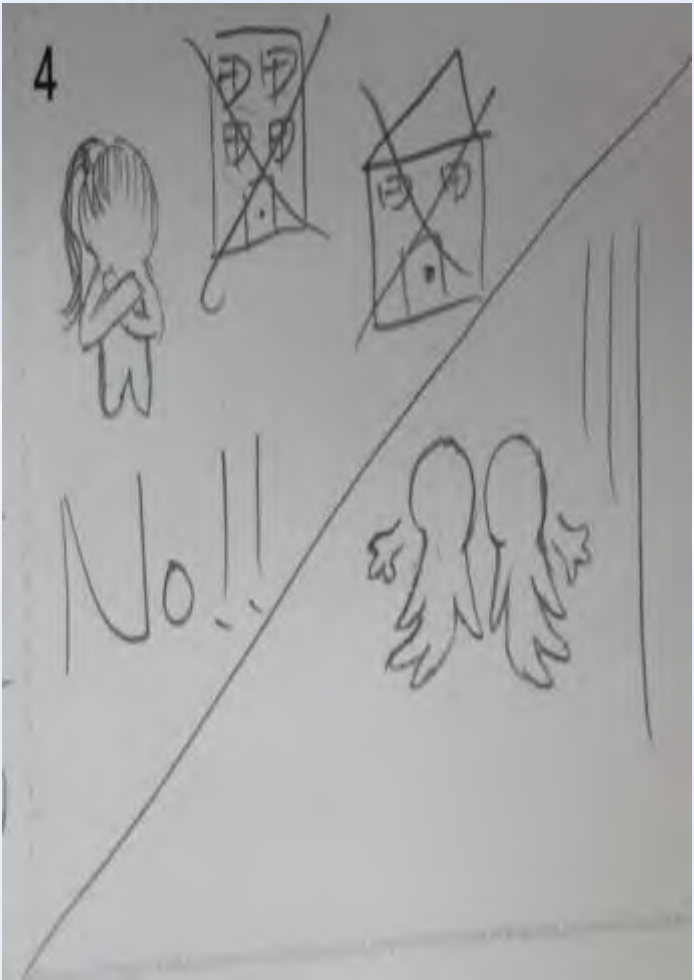

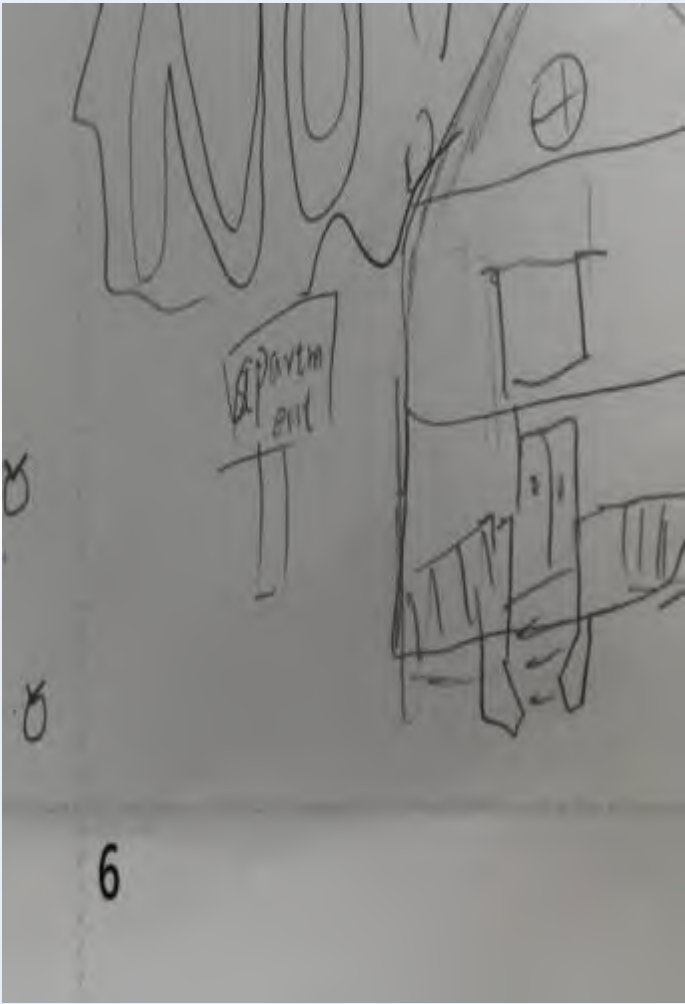

2nd paragraph

The first house is located at the suburban area. But, when they visit the house, the neighbors are singing karaoke and making lots of noises. “How great this place is! Hope I can sing with them when we move in!” said A-Di. “Oh, no. I don’t like this place.” said Mom. “What? Why? ” said A-Di. “Because it will be noisy all the time.” said Mom.

The second apartment
is located at the center
of the city.

But, when they visit the
apartment, they see the trash
is dumped in the streets.

People live in the apartment
also throw garbage everywhere.

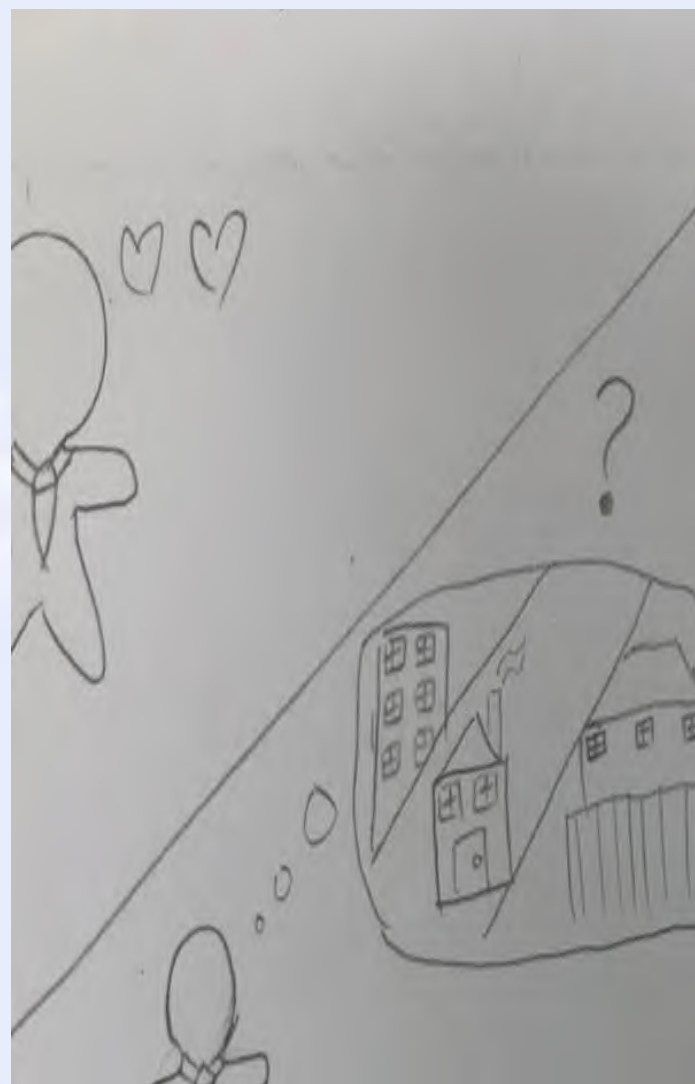

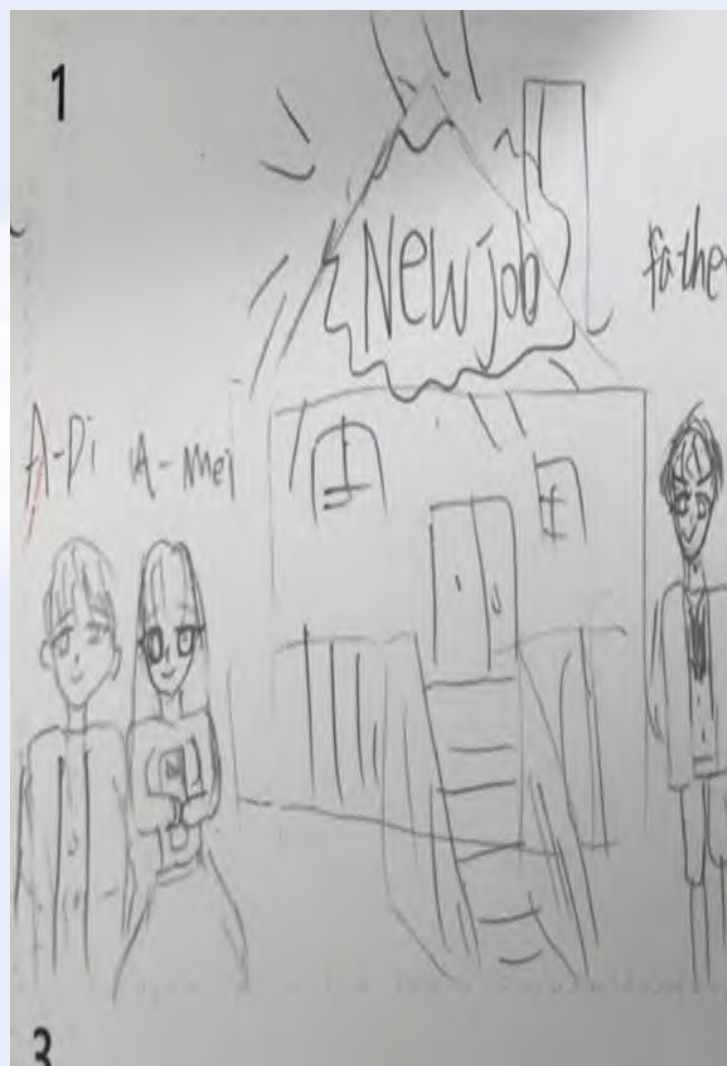

3rd paragraph

The second apartment is located at the center of the city. But, when they visit the apartment, they see the trash is dumped in the streets. People live in the apartment also throw garbage everywhere.” How convenient this apartment is! I can go many places by foot.” said A-Mei. “Oh, no. I don’t like this place.” said Mom. “What? Why? ” said A-Mei. “Because the trash is everywhere.” said Mom.

They look and look for many different houses and apartments... again and again.

16

But Mom always has a reason to say no.

A-Di and A-Mei are tired. They don't know why mommy becomes so picky.

17

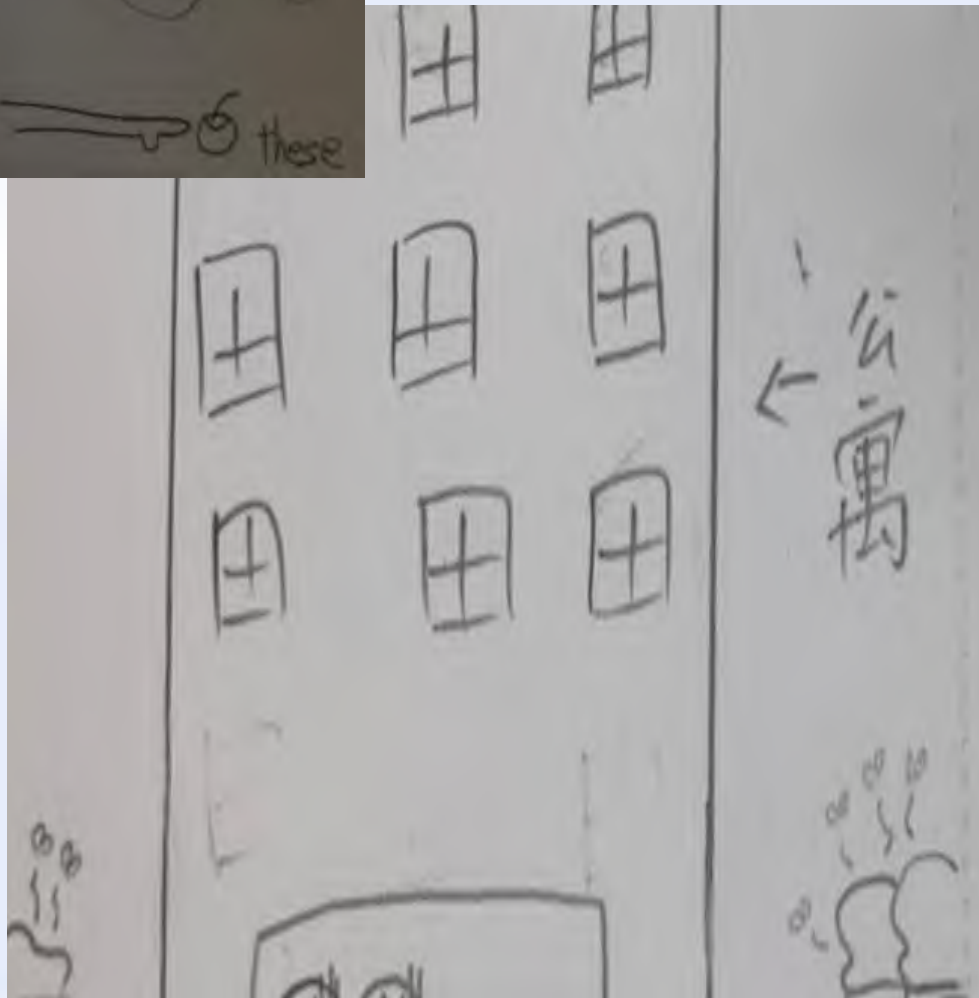

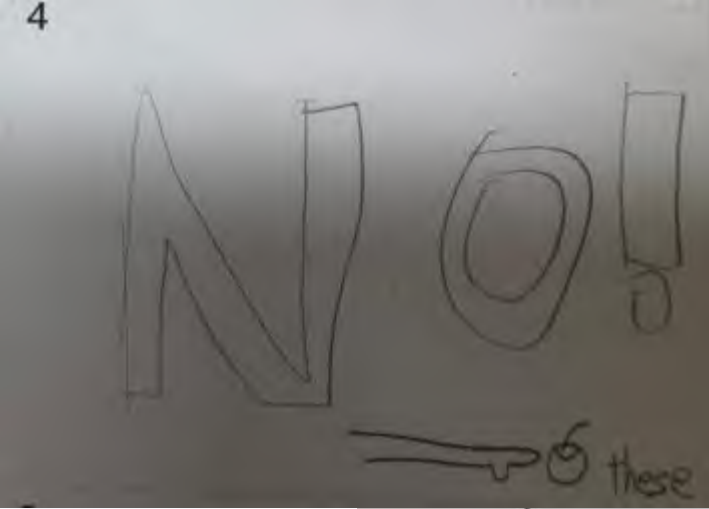

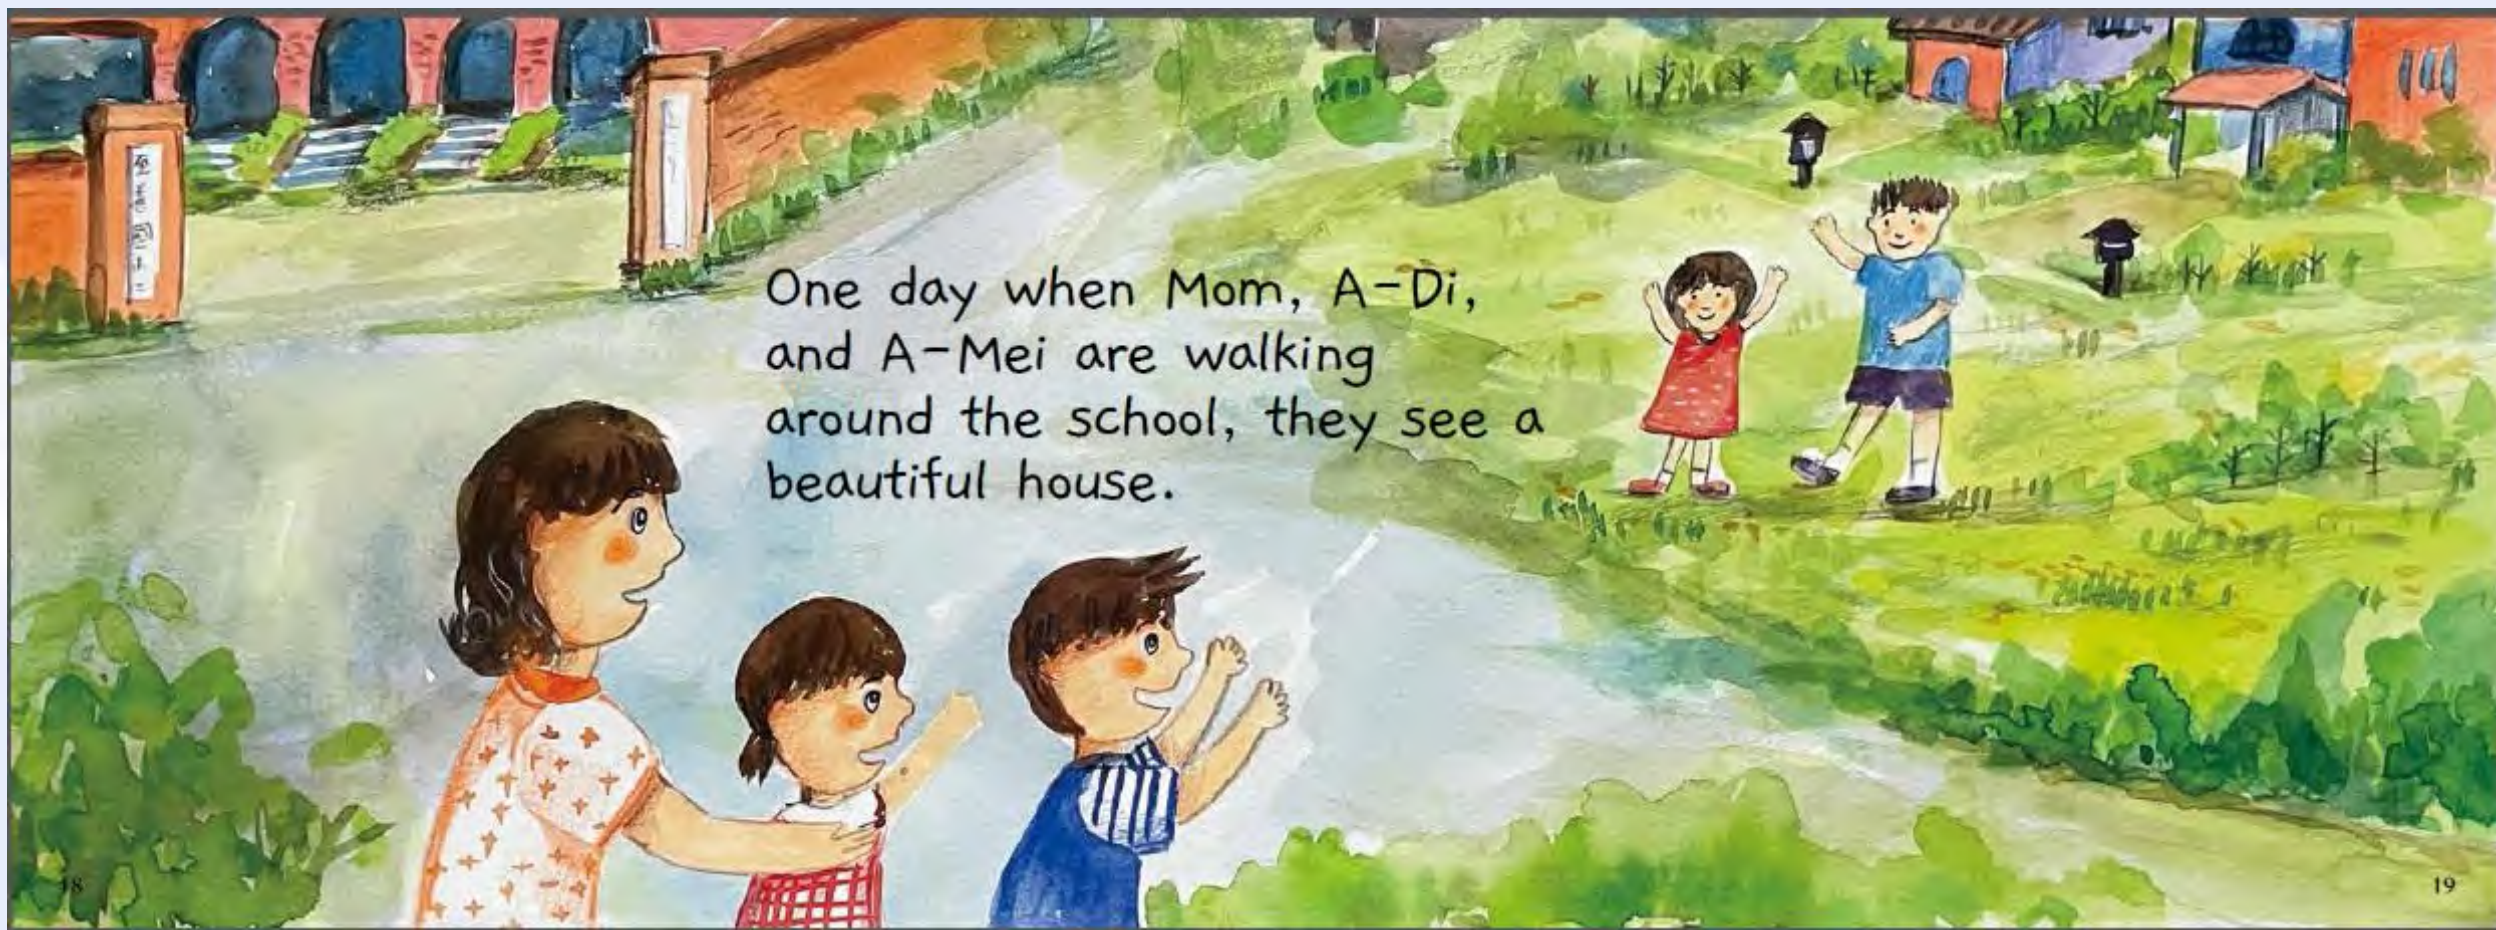

4th paragraph

They look and look for many different houses and apartments... again and again. But Mom always has a reason to say no. A-Di and A-Mei are tired. They don't know why mommy becomes so picky.

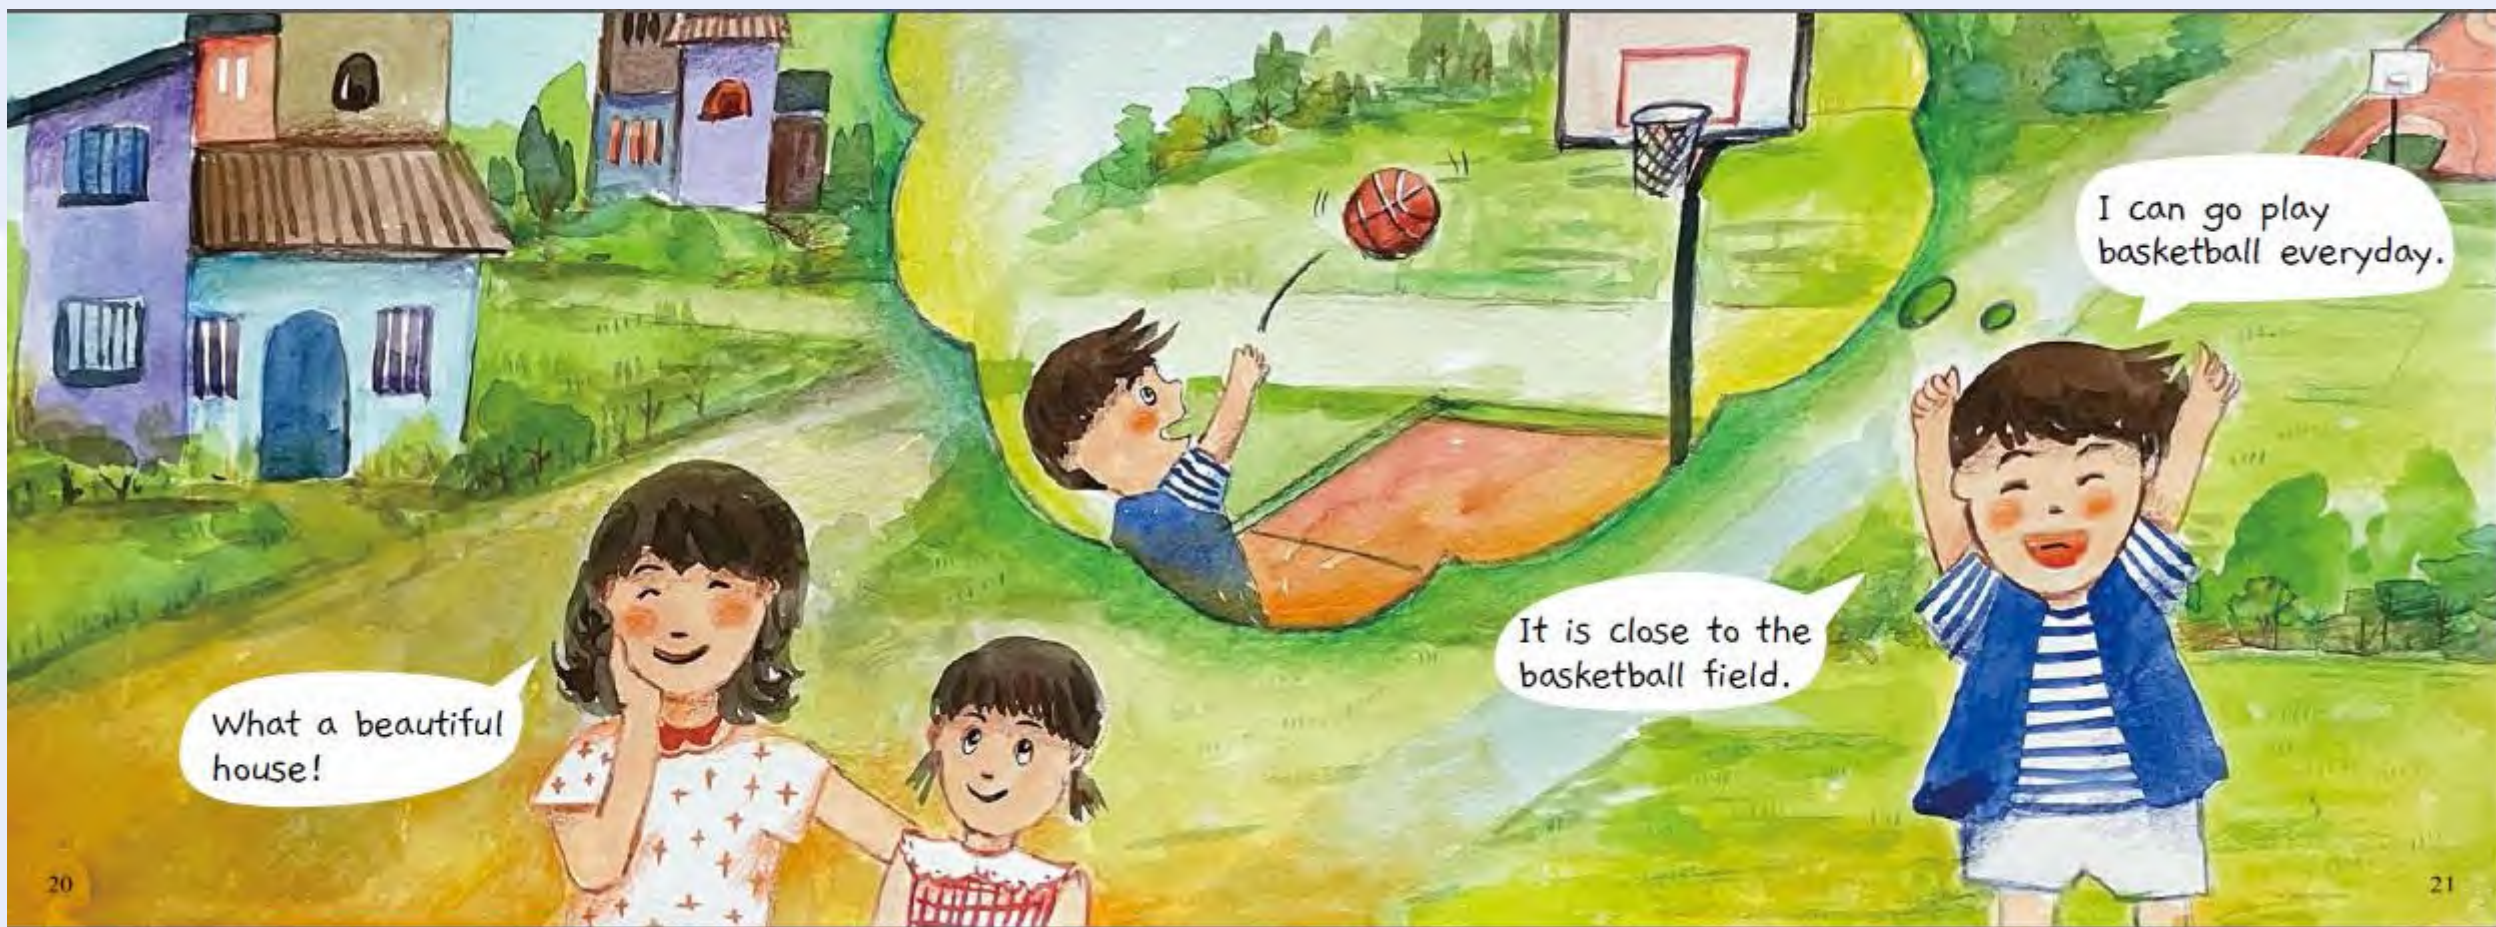

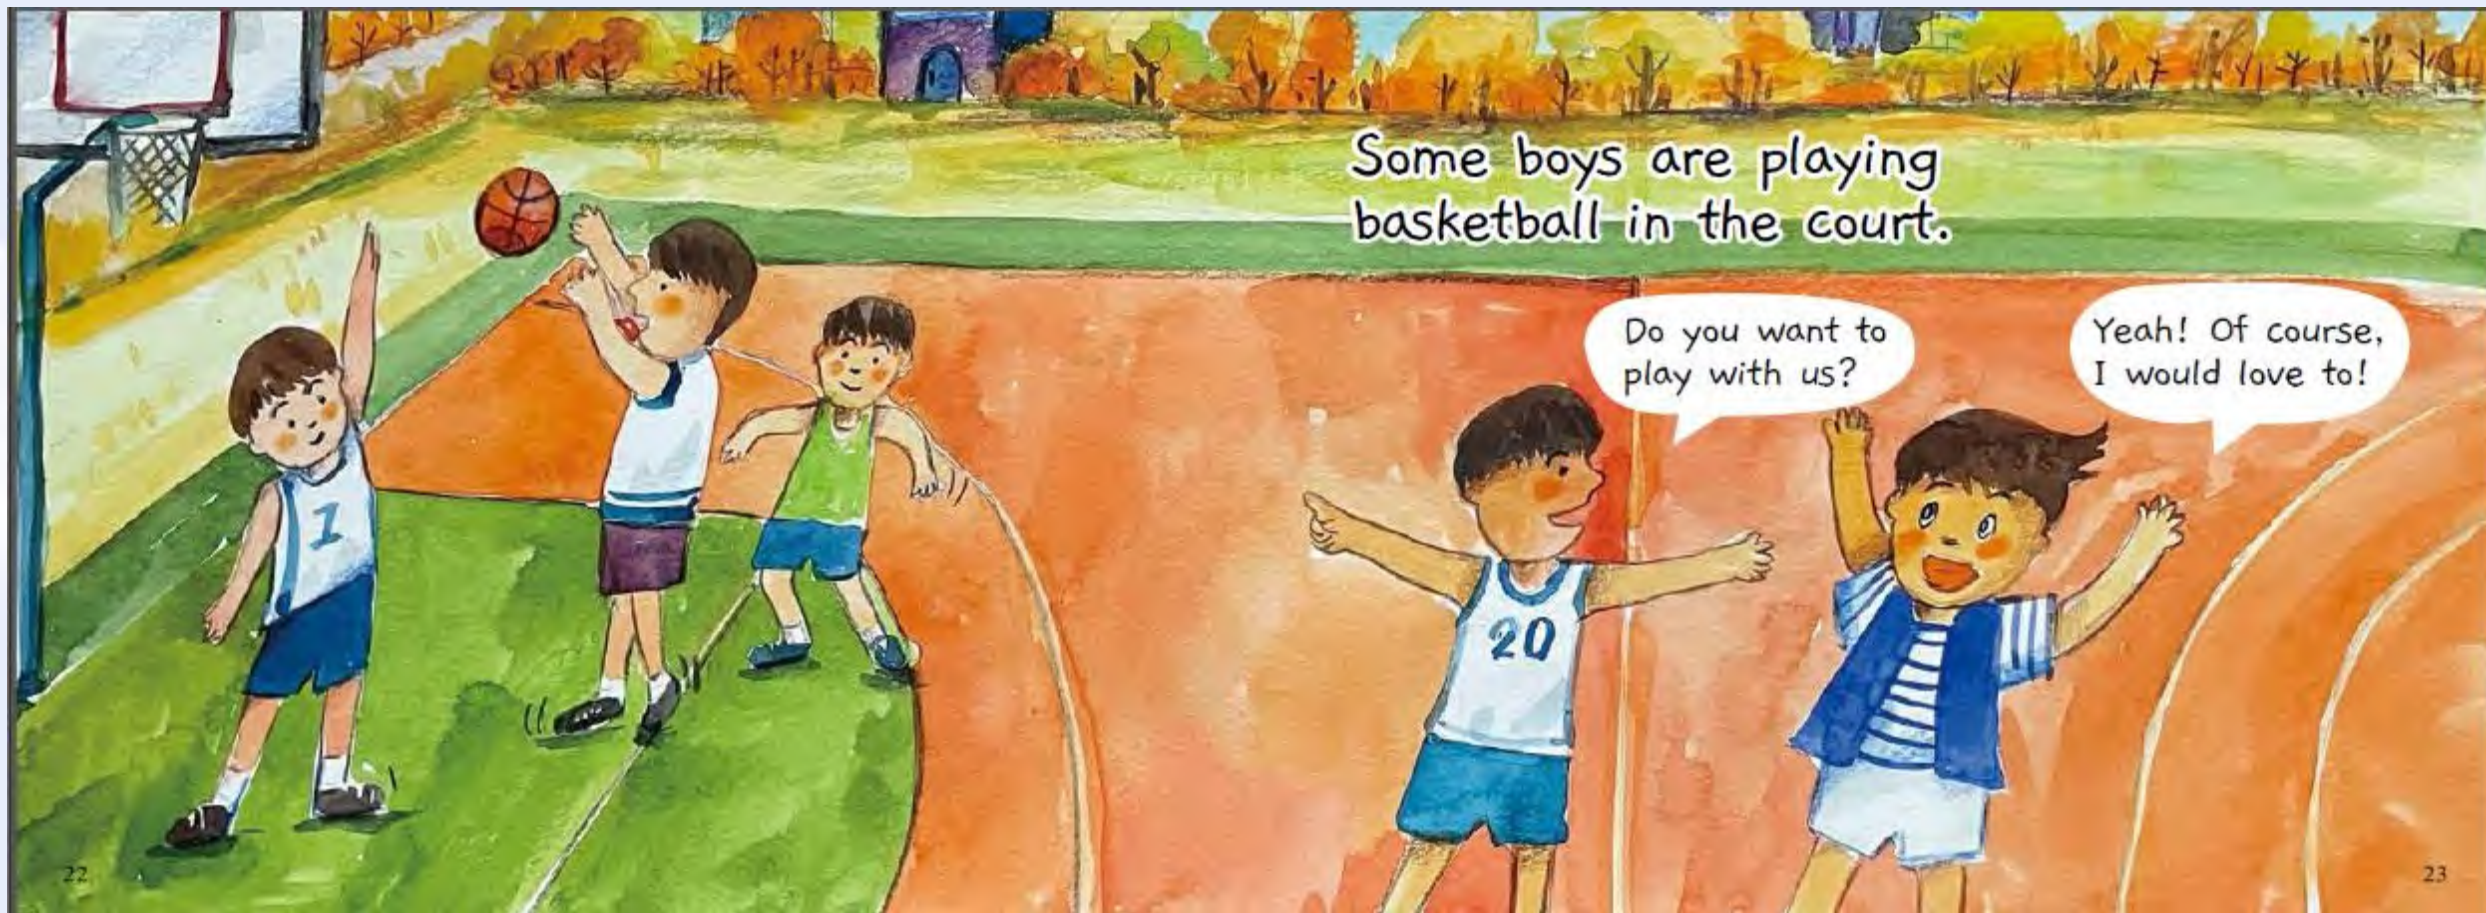

One day when Mom, A-Di,
and A-Mei are walking
around the school, they see a
beautiful house.

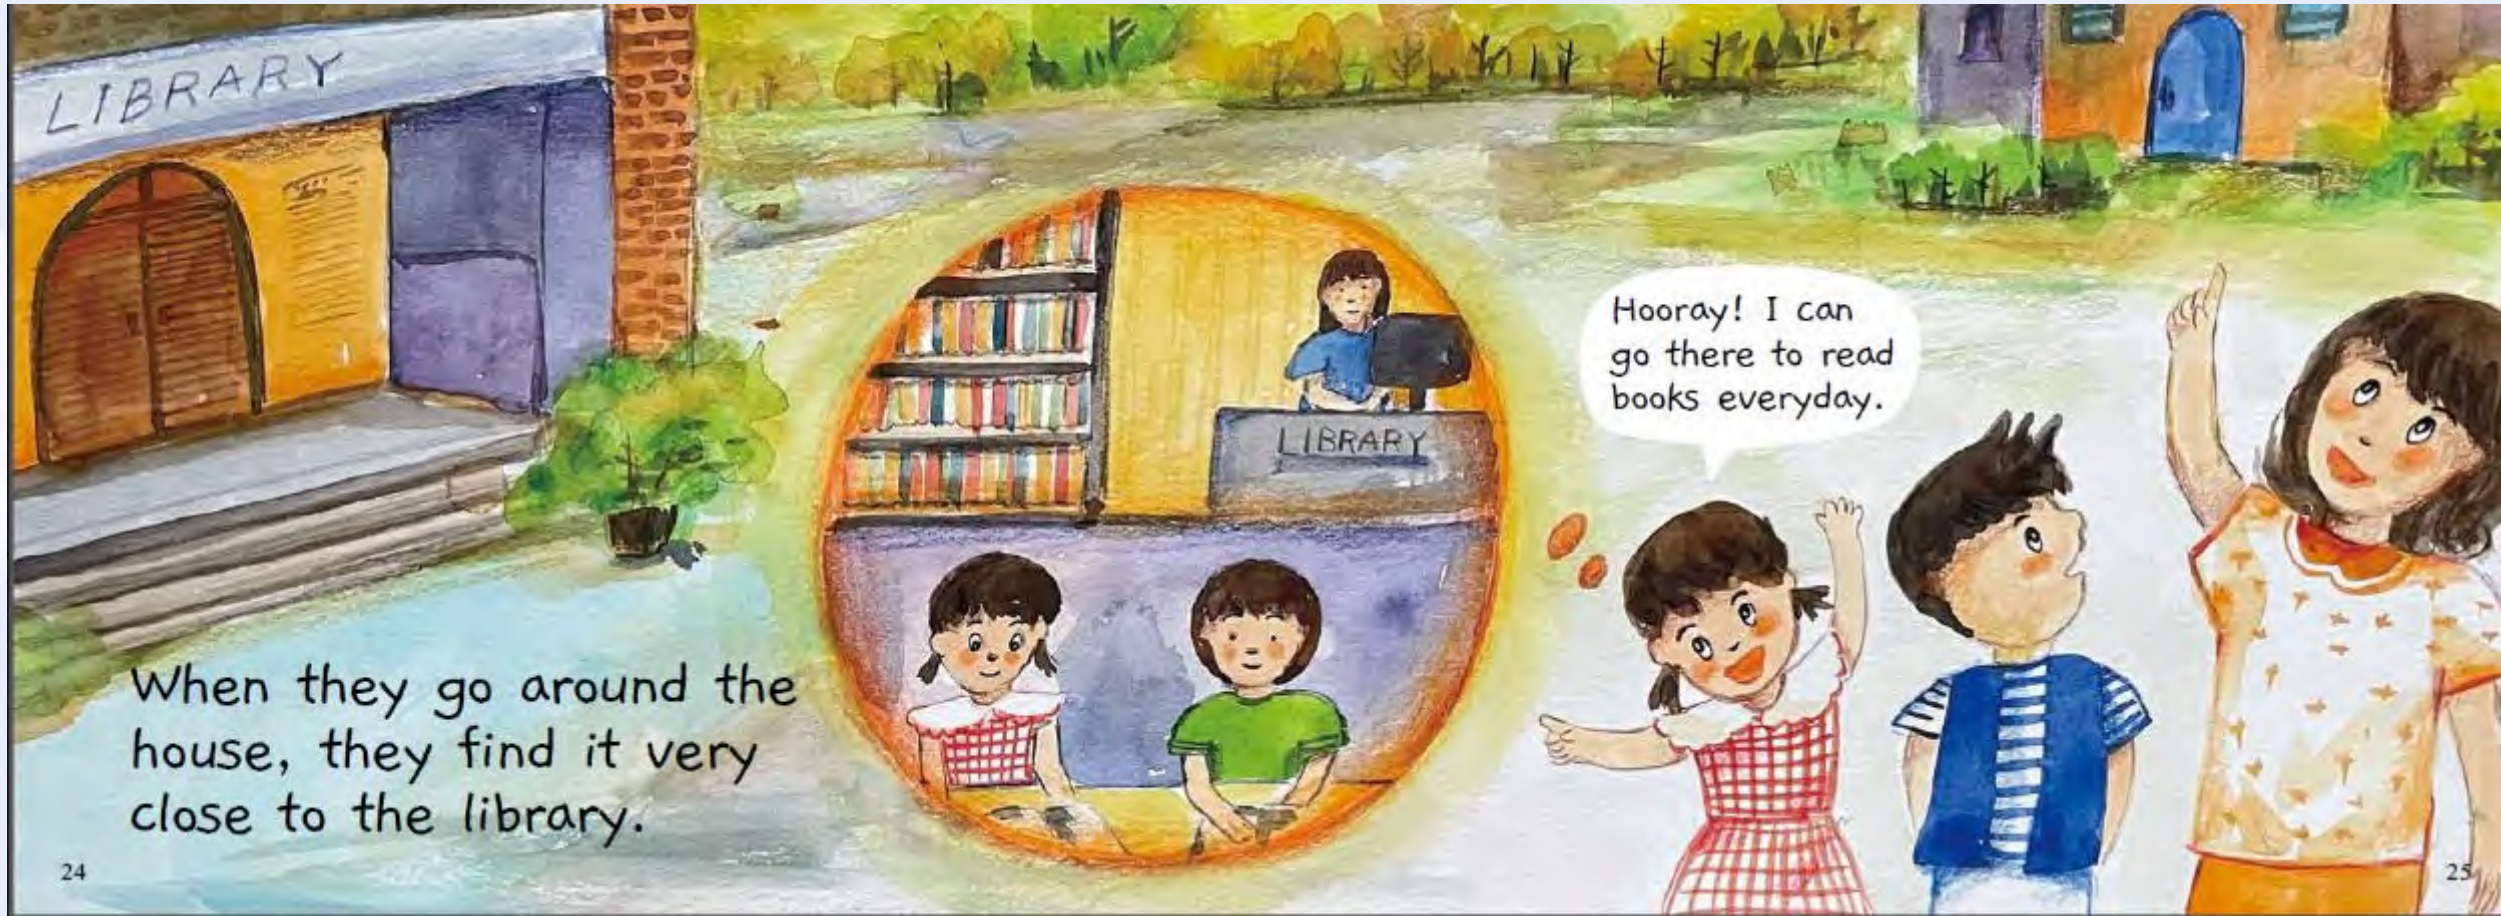

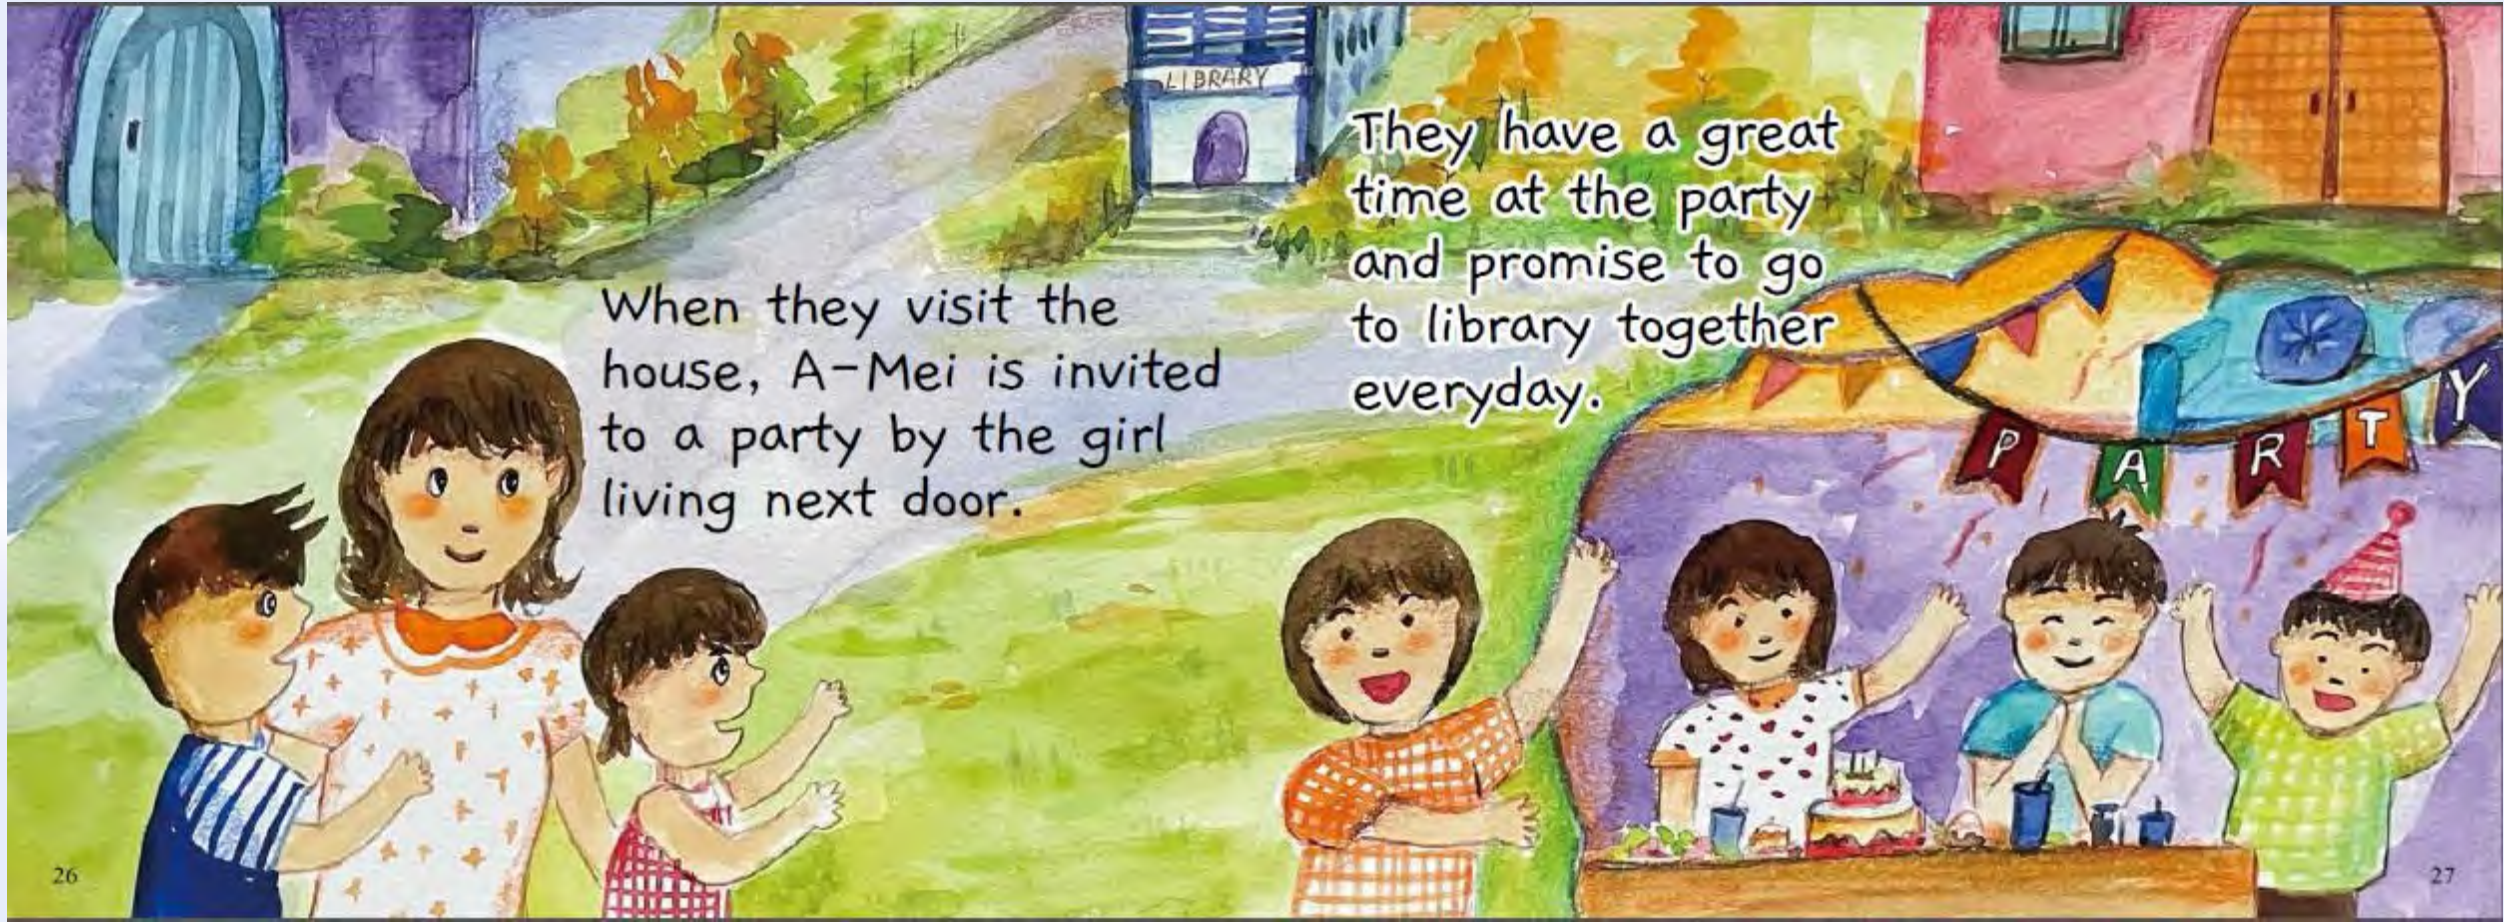

5th paragraph

One day when Mom, A-Di, and A-Mei are walking around the school, they see a beautiful house. “What a beautiful house!” said Mom. “It is close to the basketball field. I can go play basketball everyday.” said A-Di. Some boys are playing basketball in the court. “Do you want to play with us?” asked one boy. “Yeah! Of course, I would love to!” said A-Di.

When they visit the house, A-Mei is invited to a party by the girl living next door.

They have a great time at the party and promise to go to library together everyday.

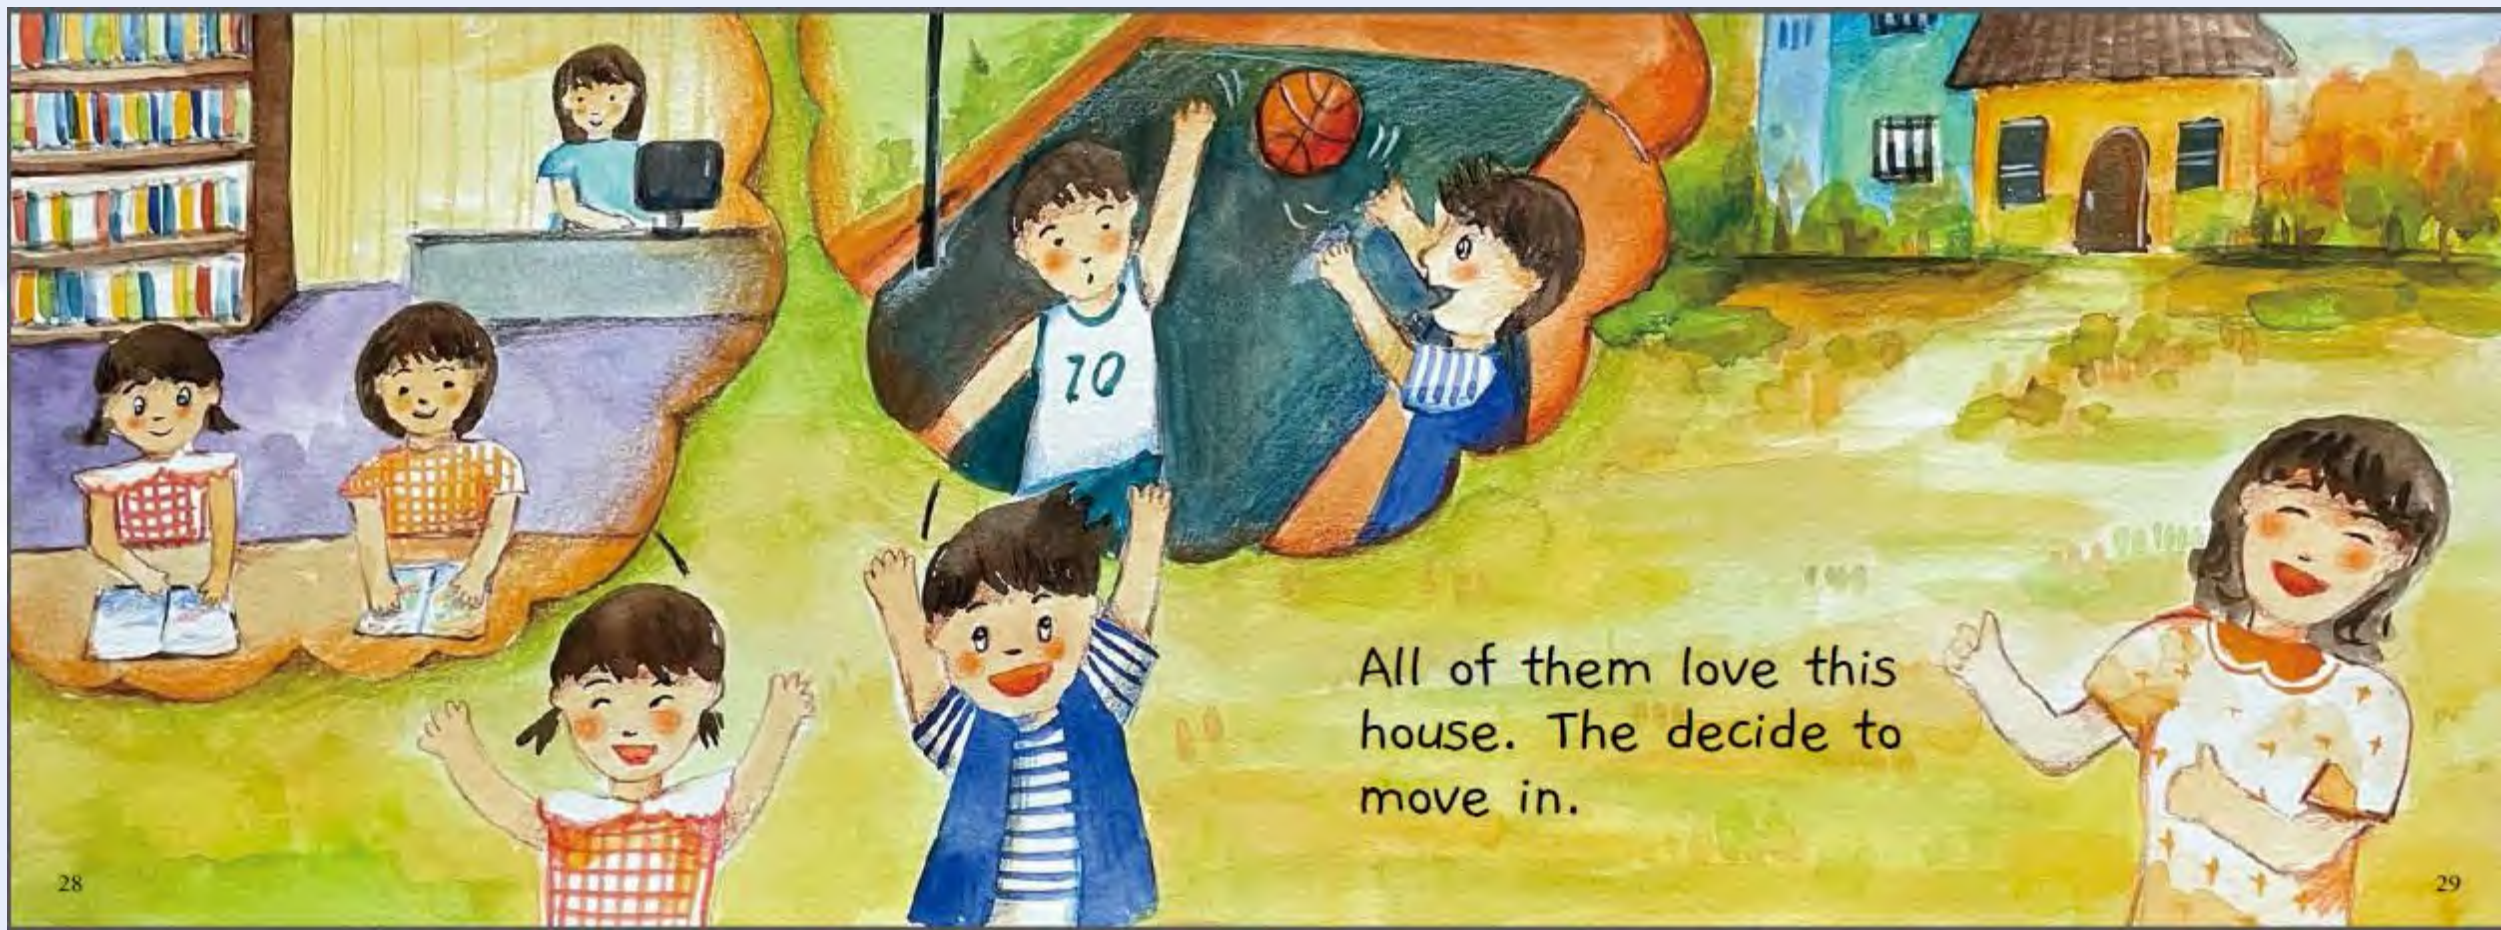

6th paragraph

When they go around the house, they find it very close to the library. “Hooray! I can go there to read books everyday.” said A-Mei. When they visit the house, A-Mei is invited to a party by the girl living next door. They have a great time at the party and promise to go to library together everyday.

6

All of them love this house. They decide to move in.

One day in the autumn, A-Di's family are picnicking at the backyard of their new home.

Daddy asks 'Do you like the new place?'

It's wise to choose a good neighborhood.

I like it a lot! I love to go library with my friends.

I like our neighbors. They are willing to help.

7th paragraph

All of them love this house. They decide to move in. One day in the autumn, A-Di's family are picnicking at the backyard of their new home. "Do you like the new place?" asked Dad. "I like it very much. I enjoy playing basketball." said A-Di. "I like it a lot! I love to go library with my friends." said A-Mei. "I like our neighbors. They are willing to help." said Mom. "It's wise to choose a good neighborhood." said Dad.

What is the
problem of the first
house?

What is the
problem of the
second house?

Why do they
hunt a new house ?

Why does
Mom become so
picky ?

What do
they do?

Why does
Mom like the third
house ?
