# Review

It's time for lunch!  
Remember to **wash**  
**your hands** and **line up**  
for lunch.

I'm hungry.  
I love lunch time!

An illustration of a young girl with dark hair in a red shirt and a young boy with brown hair in a blue shirt, both smiling and washing their hands at a sink. Water is running from two faucets, creating bubbles. The background is a purple wall.

I wash my hands  
before lunch.

An illustration of four children lining up for lunch. In the foreground, a girl in a red polka-dot shirt and a boy in a blue shirt are holding bowls. Behind them, another boy in a blue and white striped shirt and a taller boy in a blue shirt and green shorts are also holding bowls. They are standing in front of two large trays of food: one with green vegetables and one with yellow food. The background is a yellow wall.

We line up for lunch.

Don't **cut in line.**
